Product Data Sheet

Insulated Stick Wipes - Polywater

Our Polywater insulated stick wipes safely remove contaminants that contribute to tracking hazards, and leaves the insulated stick with a protective silicone coating.

Key Features:

- 20cm x 30cm
- Convenient, pre-saturated, lint-free wipe
- Dual action - cleans and applies water repellent
- Does not remove or adversely affect the gloss coat
- Evaporates quickly
- No "build-up" over time
- Prevents continuous water film on the stick in wet weather
- Removes grease, dirt, and grime
- Designed for one-time use and easy disposal

Standards:

- IEEE 978
