

Lanyard with Absorber 1.85m with 2 Snap Hooks - Linq

Linq's Lanyard with Absorber 1.85m with 2 Snap Hooks ensures safety while working at heights by slowing the rate of the fall, and reducing fall arrest forces.

If you have additional or varied requirements, please ask about our other height safety options!

Key Features:

- Length: 1.85m
- UV resilient and Solvent resistant
- 100 newton (10kg) breaking strength
- Contrast stitch thread colour for easy visual inspection
- Designed to protect a worker of up to 140kg including tools and equipment
- Unique stretchable lanyard design that minimises length of lanyard, preventing tripping or snagging

Standards:

- AS/NZS 1891.5
