

## Height Safety Helmet - Petzl

The Petzel Vertex Height Safety Helmet is the benchmark for head protection for workers at height. Packed with features and a AS/NZS 1801 certification, the Petzel Vertex is an excellent choice for any work at heights.

### Key Features:

- Head circumference: 53-63 cm
- Weight: 490g
- Materials: ABS, nylon, polycarbonate, high-strength polyester, polyethylene
- Dual chinstrap allows users to adjust the tightness of the helmet
- Centerfit adjustment ensures helmet stays centred on the head
- FLIP&FIT systems allows the harness to be folded neatly in the shell of the helmet
- Comes with interchangeable standard comfort foam
- Shock absorption achieved through deformation of the outer shell
- Unventilated outer shell protects against electrical hazards, molten metal splash and flames

### Standards:

- AS/NZS 1801
- CE
