

## Recycled Hi-Vis Safety Vest - Frontier

Stay safe and visible on the job with the Frontier Recycled Hi-Vis Safety Vest. Crafted from eco-friendly materials, this vest not only prioritises your safety with its bright fluorescent colors but also contributes to environmental sustainability. Its lightweight, breathable fabric ensures comfort during long hours, while the adjustable design provides a customisable fit. Perfect for construction sites, roadwork, or any high-visibility environment, the Frontier Recycled Hi-Vis Safety Vest is a reliable choice for professionals committed to safety and the planet. Enhance your visibility without compromising on comfort or conscience.

General PPE, not suited for working on or near live parts.
