

Recycled Hi-Vis Zip-up Safety Vest - WS Workwear

The Recycled Hi-Vis Zip-up Safety Vest from WS Workwear is designed for maximum visibility with fluorescent fabric and reflective strips that ensure you stand out in any environment. Made from recycled materials, it not only protects you but also supports eco-friendly practices. The zip-up front allows for easy on and off, while the breathable fabric provides all-day comfort, making it perfect for construction sites, outdoor events, or roadside work. With its thoughtful design and commitment to the environment, the WS Workwear Recycled Hi-Vis Zip-up Safety Vest is an essential addition to any safety-conscious wardrobe.

General PPE, not suited for working on or near live parts.
