

Fibreglass Wax and Buff Kit - Polywater

Polywater's Fibreglass Wax and Buff Kit contains a lint-free wipe saturated with a fast hazing fibreglass wax and a soft lint free towel for buffing the wax to a shine. This kit is suitable for use on non-conductive fibreglass booms and hot sticks.

Key Features:

- Convenient, wax-saturated, lint-free wipe
- Dual action tandem pack includes dry buffing towel
- Superior quality, fast-hazing fibreglass wax
- Suitable for rubber and porcelain materials too
- Easy to apply
- Does not remove or adversely affect gel coat
- Leaves non-conductive water repellent coating
- Prevents continuous water film on stick in wet weather
- Designed for one time use and easy disposal
