

Product Data Sheet

Aussie Extra Thick Unisex Bamboo Socks - Bamboo Textiles

These Australian Made Extra Thick Bamboo Socks offer odour controlling anti-bacterial properties and are better for the environment. Designed to provide superior cushioning, these socks are perfect for colder climates or long days on your feet. These Bamboo Socks are naturally breathable, moisture-wicking, and eco-friendly, they keep your feet dry and cozy while promoting foot health. These thick socks have been designed with hard-working feet in mind, combining a soft and luxurious feel with practicality. No matter what you're doing day to day and no matter what the weather brings, these will go with you from A to Z.
