

Lightweight Knee Pad - Klein Tools

The Lightweight Knee Pad Sleeves from Klein Tools offer comfortable, flexible protection for professionals who need mobility and support on the job. Designed with a slim, low-profile fit, these sleeves feature a lightweight, breathable material and built-in padding to reduce pressure and strain during kneeling tasks. These Lightweight Knee Pad Sleeves are ideal for electricians, HVAC techs, and other tradespeople, they stay securely in place without slipping or restricting movement, making them perfect for all-day wear.

Key Features:

- Sizes: S/M or L/XL
- Flexible EVA knee pad contours to leg shape for seamless comfort
- Unique design keeps knee pads close to the body for a second-skin fit, allowing for agility when working in tight spaces
- Lightweight, breathable mesh back to keep you cool and comfortable
- Elastic cuff with slip-resistant silicone helps knee pads stay in place
- Perfect for the jobsite and weekend tasks
- Sold in pairs
