

Padlock Chrome Plated Steel Shank 76mm - 10 Pack - Volt Safety

Volt Safety Padlock Chrome Plated Steel Shank 76mm is a versatile padlock that locks out safety devices of various shapes and sizes. Varied key styles and colours available to suit your on-site scenario.

Available in a variety of colours and can be supplied Keyed Alike (KA) where one key opens all padlocks, Keyed Different (KD) where every lock has it's own specific key, or Keyed Different with Master Key (MK) where the crew can have specific keyed padlocks and the supervisor can open all of the padlocks with the one key.

If you have varied lockout requirements, please enquire about other lockout options!
